## SASKATCHEWAN CAREER DEVELOPMENT ASSOCIATION (SKCDA) - MEMBER BENEFIT

### THE PROGRAM

**Saskatchewan Career Development Association** is committed to providing our members with meaningful professional development opportunities. We are proud to offer SKCDA members a **30% discount** on online courses and webinars delivered through Career Professionals of Canada.

- Gain a competitive advantage with an up-to-date curriculum that leads to certification.
- Demonstrate your CDP competencies to clients, colleagues, and employers.
- Satisfy the Theory and Ethics requirements for your CCDP accreditation.
- Complete your professional development requirements towards re-certification.
- Establish meaningful relationships with colleagues across Canada.

### COURSES

CPC's online format is ideal for adult learners with busy schedules. There is no travel required. You can complete courses from the comfort of your home and office.

You'll have a rich learning experience in a highly interactive online environment that's available to you 24x7. The format combines videos, readings, quizzes, facilitated discussions, reflection exercises, small projects and final homework assignments. Course leaders provide you with personalized support. Discussion forums enable you to participate alongside a community of fellow practitioners.

You'll build your knowledge, skills and abilities in key, in-demand competencies. The full course curriculum is aligned to the current Canadian Standards and Guidelines for Career Development Practitioners (S&Gs), with a focus on the new CDP Competency Framework.

### WEBINARS

CPC webinars are a convenient and effective way to learn best practices, effective solutions, and quality resources related to Career Development. Get actionable training from some of Canada's most respected experts. Keep pace with the latest issues that impact our profession.

Your webinars are accessible; connect to a CPC webinar on your computer, tablet, or smart phone. Webinars run 90-minutes in length, including a full Q&A following the presentation.
